Arjuna was one of the five Pandava brothers, born to Kunti and Pandu with the energy of the leader of the gods. A very intelligent and skill in archery. He was instrumental in winning the war. He was pursuing his goals. He was their joint wife. He also married Subhadra the sister of Krishna and Balarama and kept his friendship with them forever. Lord Krishna became his mentor and guide for the rest of his life.

He was known by different names or rather titles, such as Phaalgun, Keerti, Paartha, Savyashachee, Dhanajaya and so on. During his sojourns to faraway places in the subcontinent, he married Chitrangada, daughter of the king of Manipur and Ulupi, a naga princess. Two brave warrior sons were born to him. They were Abhimnyu through Subhadra and Bhabhruvahana through Chitrangada. Both his sons played an important role during the Mahabharata war.

During the exile, when all the Pandava brothers had to leave behind their kingdom and wander in the forests for twelve years as a part of their agreement with the Kauravas, Arjuna had a strange encounter with Lord Siva from whom he got Pasupatha. During the same period he met with Indra and other gods in the heavens from whom he received training and also helped them in return by slaying some asuras. While he was in the heavens he displeased Urvashi, the heavenly nymph, by turning away her advances. She cursed him out of anger to turn into a eunuch for a year in his life as chosen by him.

Apart from archery, he also excelled in the arts of dancing, singing and acting which enormously helped the Pandavas when they had to stay in the court of Virat in total **disguise** as a part of their agreement with the Kauravas in the thirteenth year of their exile. Arjuna took advantage of the curse he got from Urvashi and turned himself into Brihannala, a eunuch and acted as dance master for the royal household, especially Uttara, the daughter of Virat. At the end of the one year stay, he helped king Virat by fighting a battle with Kauravas who invaded his kingdom Matsya. After realizing that the five people who were working in his court were indeed Pandavas in disguise, king Virat offered to marry his daughter to Abhimanyu the son of Arjuna in return for the services rendered by the brothers, a marriage that proved **crucial** in the post mahabharata period as the son borne out of the wedlock was the only surviving member of the Pandava clan.
