	Comprehension:
	Read the given passage and answer the questions that follow. Warren Buffett was born in Omaha in 1930. He developed an interest in the business world and in investing, including the stock market, at an early age. Buffett started his education at the Wharton School at the University of Pennsylvania before moving to the University of Nebraska where he received an undergraduate degree in business administration. He later went to the Columbia Business School, where he earned his graduate degree in economics. Buffett began his career as an investment salesperson in the early 1950s and he formed Buffett Associates in 1956. He was in control of Berkshire Hathaway less than 10 years later, in 1965. Buffett announced his plans to donate his entire fortune to charity in June 2006. He and Bill Gates then announced, in 2010, that they had formed the Giving Pledge campaign to encourage other wealthy individuals to pursue philanthropy.
	SubQuestion No : 58
Q.58	Select the summary that best captures the essence of the given passage.
Ans	✘ 1. Warren Buffett studied at Wharton and worked with Bill Gates and other wealthy individuals in the stock market.
	✘ 2. Warren Buffett started investing late in life and founded a college for business students to emphasise the importance of starting early.
	✘ 3. Warren Buffett became rich through the stock market and enjoys travelling.
	✔ 4. Warren Buffett is an American investor who started early in business, led Berkshire Hathaway, and pledged most of his wealth to charity.
